**For Immediate Release**

**EJustice Solutions Names Megan Allred as Senior Regional Account Manager**

**Ann Arbor, Michigan, November 16, 2010** - EJustice Solutions welcomes Megan Allred as Senior Regional Account Manager in North Texas. Megan joined the EJustice Solutions sales team on October 25, 2010.

In her role, Megan is responsible for building and maintaining excellent relationships with EJustice Solutions existing clients as well as creating new business in Texas.

*"We welcome Megan to the EJustice team as we look to continue our growth and expansion in Texas. Megan's experience and law enforcement background will provide our customers with a fantastic knowledge resource and someone that understands the daily demands of law enforcement. She will work to deliver our Online Records Management Solutions to agencies in Northern Texas to enhance their ability to access and report criminal information, anywhere and anytime."* said Dennis Blanchette, President and CEO of EJustice Solutions LLC.

Most recently, Megan was employed at Justice Benefits, Inc in Dallas, TX as Senior Regional Account Manager. There, she was responsible for a wide variety of activities including coordinating the sales process and relationships with clients, including judges, sheriffs, chiefs, and related government officials. She also conducted training on record management systems and worked with IT on product development. Prior to Justice Benefits, Inc Megan was employed at Ellis County Juvenile Probation Department in Waxahachie, TX as a Juvenile probation Officer.

Megan brings a total of seven years of law enforcement background to EJustice Solutions and holds a Bachelor of Science degree in Criminal Justice from Sam Houston State University, located in Huntsville, TX.

**About EJustice Solutions**

EJustice Solutions is an industry-leading provider of affordable browser-based [law enforcement record management systems](#). EJustice Solutions records management and [jail management systems](#) (RMS and JMS) deliver real-time, valuable and actionable information to police and other public safety officers at the point of enforcement, and simplify data exchange across law enforcement agencies and jurisdictions. The company's flagship product – EJustice Online – can be accessed from any computer or mobile device with an Internet connection.
